STAFF REPORTS

Bill Todd played golf with Brian Whitlack who was very complimentary about the conditions of the CW course. He was adamant that the greens on CW and PV be aerified once more this year. This will be done on August 13, 14 and 15 on CW and August 20,21 and 22 for PV. The courses will be closed on those days. There is reserve money left for top dressing. On CW hole 14 fairway, cart traffic will be directed around the bunker on the left. This area will also be roped off.

Desmond Dakin - Head Pro CW

See attached sheet. Twilight couples has had between 40 and 42 couples each evening.

Greg Tokash – Head Pro PV

See attached sheet. In addition the new parking lot area will be crack filled and sealed on August 9th in the afternoon. It will also be restriped at 4:30 AM on August 10th.

There was a discrepancy on his report in rounds last month.

UNFINISHED BUSINESS

Palo Verde Friday Couples League – Article VI, Section 3 was reworded. Ed Frees noted that on rare occurrences the play is filled. Recommend to the board that the Palo Verde Couples Golf league rules and regulations be accepted.

Ed Frees asked about item #3 in The Revenue Builders presented by Desmond last meeting. Can an annual member have a guest play for \$50.00? The answer was yes.

NEW BUSINESS

The deadline for applications for Golf Committee members is mid September.

The exceptions for the 2012-2013 calendar were presented. As requested the CW Mens Member/Guest was moved from November to March 22. The CW Men's Club requested a practice day for their Member-Guest tournament the Friday a week prior to the tournament. Cottonwood Golf Course would not set aside reserved tee times or give complementary rounds to the guests, so that exception was removed from the list.

A recommendation was made to accept the remaining exceptions.

The meeting was adjourned at 1:25 PM.

Respectfully submitted

Pat Andersen for Gwen Curtis

There are two recommendations for the Board: Accept the Rules and Regulations for the Palo Verde Friday Couples League.

Accept the exceptions for the 2012-2013 Calendar.
