The declarations of restrictions referred to above are collectively referred to herein as the "Declarations of Restrictions". The subdivisions that are subject to the Declarations of Restrictions are sometimes collectively referred to herein as Sun Lakes Phase II.

- B. Paragraph 2(d) of each of the Declarations of Restrictions provides that at least one resident in each household within the property that is subject to the Declarations of Restrictions must be forty (40) years of age or older and that no person who has not yet reached his nineteenth (19) birthday shall reside permanently on the property. The provisions of paragraph 2(d) of the Declarations of Restrictions were lawful when the Declarations of Restrictions were executed and recorded.
- C. The Fair Housing Amendments Act of 1988 (the "Act"), which was passed by the United States Congress, made it unlawful to discriminate in the sale or rental of dwellings based on "familial status"; that is, one or more individuals who have not attained the age of 18 years being domiciled with a parent or other person having legal custody. The Act contains an exemption permitting restrictions based on familial status in developments that satisfy the following three requirements:
- The development must have significant facilities and services specifically designed to meet the physical or social needs of older persons;
- 2. At least 80% of the units must be occupied by at least one person 55 years of age or older; and
- 3. The owner or manager of the housing facility must publish and adhere to policies and procedures that demonstrate an intent by the owner or manager to provide housing for persons 55 years of age or older.
- D. The Association believes that the Association and Sun Lakes Phase II have significant facilities and services specifically designed to meet the physical and social needs of older persons. Periodic surveys of the age of Sun Lakes Phase II residents taken since the Act was passed indicate that in excess of 90% of the dwellings within the Association's jurisdiction currently are occupied by at least one person 55 years of age or older. In accordance with the third requirement for the exemption referred to above, the Board of Directors of the Association passed a resolution prior to the effective date of the Act to confirm that it is the intent of the Association to provide "housing for older persons", which the Act defines to include housing that satisfies the requirements for the exemption referred to above. The Board of Directors resolution provided that the Board of Directors shall publish and adhere to policies and procedures that demonstrate such intent.
- E. The Association, with the consent of a majority of the Owners of Lots (as defined in the Declarations of Restrictions) in each of the subdivisions that are subject to one of the Declarations of Restrictions and with the consent of Sun Lakes Marketing Limited Partnership, the "Declarant" under the

Declarations of Restrictions, desires to supplement the Declarations of Restrictions in order to publish as a matter of public record the intent that Sun Lakes Phase II provide housing for older persons.

#### SUPPLEMENT:

For the reasons set forth in the Recitals, the Declarations of Restrictions are hereby supplemented with the following provisions:

- l. Sun Lakes Phase II is intended for and operated for occupancy in at least 80% of its units by at least one person 55 years of age or older per unit. The Association is directed to maintain significant facilities and services specifically designed to meet the physical or social needs of older persons. The Association shall require that at least 80% of the units in Sun Lakes Phase II be occupied by at least one person 55 years of age or older and that all units be occupied by at least one person 40 years of age or older. The Association shall publish and adhere to policies and procedures which demonstrate an intent to provide housing for older persons. No person who has not yet reached his or her 19th birthday shall reside permanently at Sun Lakes Phase II. The Board, in its sole discretion, shall have the right and power to determine when a person resides "permanently" within Sun Lakes Phase II.
- 2. Nothing contained herein constitutes a representation or a warranty on the part of any person or entity that Sun Lakes Phase II satisfies or qualifies for the "housing for older persons" exemption from the familial status provisions of the Act.

Whenever possible, each provision of this Supplement to Declarations of Restrictions shall be interpreted in such a manner as to be valid under applicable law and so as to be applicable to all of the property within Sun Lakes Phase II, but if any provision hereof shall be invalid or prohibited or inapplicable to any property within Sun Lakes Phase II, then such provision shall be ineffective to the extent of such prohibition, invalidation or inapplicability, which will not invalidate the remainder of such provision or the remaining provisions hereof or the applicability thereof to the remaining portions of the property within Sun Lakes Phase II.

IN WITNESS WHEREOF, this Supplement to Declarations of Restrictions is executed as of the date first above written.
