

Racquetball / Handball Courts

There are two indoor Racquetball / Handball courts located on the lower level of the Palo Verde Clubhouse that are available for use by all Cottonwood Palo Verde homeowners, guests, renters and associate members. Also, the Sun Lakes Fire Department personnel may use the facility on a time/space available basis.

The courts are open every day for play from 6:00 am until 11:00 pm. The Sun Lakes Racquetball Club maintains a court sign up board just outside the courts, as well as the club bulletin board with rosters, local racquetball news, and upcoming events and tournaments.

Facilities Dress Code

Shirts and non-marking indoor court shoes must be worn at all times. Shoes worn outside or other shoes that may damage the floors of the courts are prohibited. T-shirts with sleeves, sweatshirts, shorts and athletic shorts are considered to be appropriate attire. All players using the courts must comply with the HOA dress and footwear code.
